

COMPANIONS OF hope

Companions of HOPE is an outreach ministry for caregivers and those with long-term illnesses or other debilitating limitations.

Companions have been trained through Cancer Companions and Our Journey of Hope programs.

Companions provide support through:

- Prayer
- One-on-one visits
- Bible study
- Community resources

The Companions of HOPE group collaborates with other Redeemer groups to provide other needs, such as:

- Yard work
- Small repairs
- Help with children
- Laundry
- Housekeeping
- Meals

There are many needs that will naturally be met within the congregation through the blessing of strong pre-existing relationships. Companions of HOPE celebrates in spirit when the body of believers gives HOPE to one another by serving others.

Please contact Connie Davis (309-241-1435) or Jamie Wisely or Jeff Shoumaker (309-691-2333) for more information.
